

How to End a College Application Essay - Examples

Conclusion example 1:

“During the last 12 months of driving independently, I’ve gained far more than just the ability to drive from A to B. I’ve helped others less mobile than myself and my employer is impressed that I’m showing up energized for my weekend job and willing to learn more.”

Conclusion example 2:

“During my 6 month volunteer work at the Hispanic community center, I’ve come to realize just how valuable it’s been for people to have someone who will listen and understand them as an individual. I’m aiming to continue this at College by forming a Hispanic College student club, set up and run by students for students.”
